WEEK 6 HOMEWORK

For this week, try to do the following:

1. Print out and post the 'Bathing' domain in your restroom and reclaim this domain for txʷəlšucid.
2. Review the materials on the Puyallup Tribal Language Website regarding the 'Bathing' domain:  
<http://www.puyalluptriballanguage.org/domain.php?dom=bathing&to p=bathroom>
3. Try to work the survival phrases into your txʷəlšucid practice and into your day.
4. Review the video class recording on YouTube. I will send you all the link via email.
5. Beyond studying, try to use the txʷəlšucid for thirty minutes every day.
6. Keep track of how much you use txʷəlšucid every day.
